* If you are registered and you cannot attend the event or need to cancel your registration at short notice less than 3 days prior the event we reserve the right to invoice incurring costs.

The granting of the planned sponsoring is independent of any sales transactions between the medical institution and Abbott Medical. It is not linked to any obligation to purchase any Abbott Medical products by the medical institution or its staff.

According to MedTech Europe Codex attending the event is not permitted without authorization by the employer of the attendee, unless the attendee confirms covering the incurring cost on his/her own bill. (Only applicable in countries with respective legal regulations.)

Information in accordance with Art. 13 of the EU General Data Protection Regulation: For administrative purposes, Abbott will process and store your personal data (name and contact information) until this service agreement is completed. This is, of course, in accordance with the EU General Data Protection Regulation. Insofar as it is necessary to transfer personal data out of the European Economic Area (EEA), we will ensure an appropriate level of data protection and provide you with a copy of the relevant guarantees upon request. You may request information on your stored data, have it corrected or deleted, request limited processing, object to further processing, request transfer of the data and file a complaint with the supervisory authority.

To exercise your rights or if you have any questions regarding data protection, please write to: Abbott GmbH & Co. KG, c/o Datenschutzbeauftragter, Max-Planck-Ring 2, 65205 Wiesbaden, or send an e-mail to: data_privacy_officer.de@abbott.com

Authorization of Employer

We are accepting the invitation of the employee of our institution and confirm the attendance of the mentioned attendee at the event as well as Abbott Medical covering the incurring costs. We are informed about the content and program of the seminar. We assure that accepting this invitation is not contrary to any legal or internal regulations of our facility or our parent establishment, and is in accordance with the applicable third party funding regulations. The employee's participation does not constitute a breach of duties or professional obligations.
